AUGUSTA, GA.

THESE Limbs are unsurpassed for Lightness, Beauty of Finish, and durability. Satisfaction Guaranteed in all cases.  
From the "Daily Press," Augusta, Ga., Jan. 13th, 1866.

"We are well acquainted with the gentleman and take great pleasure in recommending him to any who have been so unfortunate as to lose either an arm or a leg. He understands his business perfectly, and wears an artificial leg himself, of his own make, on which we have seen him dance, and we defy any one not acquainted with the fact to detect it. We have examined these artificial limbs, and have no hesitancy in pronouncing them the best we ever saw. Let the maimed and crippled rejoice that the Good Samaritan is here in the person of Mr. Hoggson. THE OPINION of those who "WEAR" THE LEG. AUGUSTA, GA., March 9, 1866.  
MR. G. B. HOGGSON-De Sir:-After a trial of the leg you made for me, I am glad to give you a certificate of my approbation for the same, as it comes up to my utmost expectation. I have been wearing artificial limbs of different manufacturers for twenty years, and I am convinced in my own case of the great advantages you have in knowing how to adjust your limbs properly to your patients by wearing an artificial leg yourself.

Yours, truly,  
C. G. BUTLER.
